

DEAR OU LETTERWINNERS AND TRACK SUPPORTERS,

I want to extend my gratitude to our returning Spike Club members and would like to offer a warm welcome to those interested in supporting the Oklahoma Track and Field program as we continue to grow both on and off the track. For those of you who are able to support the Sooners by attending our home meets, let me offer a sincere thank you. For our long-distance supporters, we want to offer you every opportunity to follow the team, and I hope that you too can help support our student-athletes and our program.

Our goals are simple -- to position the men's and women's track and field teams to win conference championships, and to move the men's and women's track and field teams into the upper echelon of collegiate track and field at the national level. The fruits of our labor have started growing as the men's team won Big 12 and Midwest Regional championships in 2007, but there is still much to do to stabilize that success and establish OU as one of the premier programs in the nation. The University of Oklahoma, our student-athletes, our supporters and our alumni deserve no less.

We have much work to do, and we are asking for your assistance in the pursuit of our goals. To that end, we have created the Spike Club so that our most avid fans can show their active support by becoming members.

Thank you for your help, and I hope that you enjoy what promises to be a tremendous future for track and field at the University of Oklahoma.

Sincerely,

Martin Smith
Head Track & Field and Cross Country Coach
